

## South Gloucestershire Financial Regulations for Schools - Free Training Session

The Financial Regulations for Schools have been refreshed and updated to reflect current practice. A consultation providing an opportunity to comment on their contents ended on the 30<sup>th</sup> January 2019. The Regulations are now effective and must be followed with immediate effect.

The Regulations apply to all maintained schools. Headteachers and Finance Staff within a school need a diverse range of financial knowledge, it is essential that they are familiar with, and able to apply good systems of internal control.

The following sessions have been organised to raise awareness of the Regulations and to answer any specific questions schools may have.
