PARENTAL ENGAGEMENT

DISCOVER SIMS ALL-IN-ONE SOLUTION FOR PARENTAL ENGAGEMENT

SIMS all-in-one engagement solution provides a joined-up approach to enable schools to better communicate and collaborate with parents by giving them a clear view of their children's school life.

Our solution, designed to transform all parents from passive receptors to active agents, provides schools with the tools needed to drive student-centred learning.

DECREASE ADMINISTRATION AND PRINTING COSTS

Manage parent payments online as well as set and share homework with parents.

ENGAGE PARENTS AND WIN TRUST

Share achievements, behaviour, attendance and test results through SIMS, and gain quick feedback via two-way communication.

ENCOURAGE INDEPENDENT LEARNING

Help students to organise school life and cultivate independent learning.
